Church Retreats at the Camp

The White Mills Christian Camp is an awesome place for our churches to have retreats and gatherings all throughout the year. Did you know that there is no charge to use the facilities if you are one of our supporting Christian Churches? That's right...no charge. This is your camp and we want you to use it not just during the summer but all year long. Many of our churches have annual gatherings, some do many different things throughout the year. Some of these events include church picnics, weekend camping trips, youth retreats, Ministers, Elders and Deacons retreats, Ladies retreats, Men's retreats and so much more.

One of the best times of the year with the most open dates is in the spring. It's not too late to plan something but the sooner the better. Please have your church, Sunday school classes and youth groups take full advantage of what the camp has to offer and call us today at 270-862-3933. The camp secretary Kelly Fulcher will help you pick the best date available.

Dear Friends of White Mills,

Consider what a blessing it is to be a child of God and realize that he is giving us another year to live for Him. It is exciting to think of new ways to bring glory to Him and how to best use our talents to serve people. One area of service you might want to consider this year is camp. You could serve as faculty or staff or simply offer help with a project or donation. Last year over 600 people helped at camp through service in one way or another and most would say they received a bigger blessing than they ever imagined.

To me, the start of a new year is always very exciting. It brings another chance to make a bigger effort, to make something a little more special. As camp manager I want each year to be a little better than before. This year we are improving the dorms, kitchen, and chapel. We also hope to enhance the campfire area. Please keep the camp in your prayers this year as we all strive to be the best we can for God. I look forward to seeing each of you in the days to come and it is my prayer that this will be your best year yet!

*Happy New Year,
Ben Fulcher, Camp Manager*
