*So many people deserve to be thanked for what they do for the camp especially during the summer that naming them all would be nearly impossible. Perhaps you worked as faculty during a week of camp and gave up one of your valuable vacation weeks. Perhaps you cleaned in the hotel and dorms with very few people ever knowing you were around. Perhaps you gave a gift of food, or paper products or even a couple of paddle boats. Perhaps you kept the receipt on an expense instead of being reimbursed or sponsored a child to come to camp. Whatever you did this summer please know that you are appreciated and we say Thank you! Thank you!*

## General Financial Report

### Second Quarter General Budget Report

General Income - \$143,418.71  
General Expenses - \$116,234.75  
General Balance - \$49,863.35

Thank you so very much to all who give so faithfully to this ministry. Camper fees only account for 1/2 of our general budget needs. The other half comes from churches and individuals like you who help pay the way. Thank you again for your many blessings!

### Sponsor a child at camp by "paying the other half."

Many people do not realize that we only charge campers 1/2 of what it actually costs and in many cases less than that. Consider that a full week of camp costs us \$390 per student yet we only charge \$175 for most full weeks. Even with summer over we still need your help to keep costs low for all of our campers. Thank you for your prayers and support.

*White Mills Christian Camp now has over 4000 people on its mailing list! This is a great thing as more and more people are involved in the camp. However, if you would like your name removed from the mailing list, please just call the camp office and let us know. Thank you!*
