Summer Update

June was a month of great camps and great decisions for Christ! We have celebrated with 48 campers who were baptized, 27 campers who rededicated their commitment to Christ, and 21 who are praying about committing to Serving Christ through ministry! We cannot wait to see what will happen in July!

Over 900 campers have been to camp in June and they've had a wonderful time making friends, learning, worshipping, swimming and so much more. We are so grateful to the faculty who have given their time to serve at camp, the Churches who promote camp and financially assist the campers, & our staff who work hard every day to make this the best camp in the world.

There's a Lot of Summer Left!

We may be into July but there are many weeks of camp coming up and it's not too late to register for any of them! Below is a list of the remaining camps for this summer and the dates. More information and online registration is available on the website.

Adults, Are You Feeling a Little Jealous?

So many times, when parents drop their campers off at camp, they say how much they would like to take a break and attend camp. We have good news for them! We offer 3 adults retreats in September that offer a chance to enjoy this beautiful camp and take a spiritual retreat.

First up is a renewed **Senior Saints** program. Senior Saints will take place on **Wednesday, September 11** and will consist of a luncheon, a speaker and a camp tour. We would like to thank the Silver Servants of Salem Christian Church for planning and hosting the event this year.

Next is the very popular **Ladies Retreat** on **September 20-21**. Last year, 190 women came together for a tremendous retreat and this year is going to be even better! The theme, "For Such a Time as This" comes from the book of Esther and explores how God places us where He needs us to accomplish His will.

Finally, **September 27-28** is the **Men's Retreat**. This retreat has been growing and we are looking forward to seeing everyone back this year. The WellSpring Christian Church men's group is planning the retreat this year and it promises to be a great time.

Online registration for the Adult Retreat opens on August 1, 2019!
