Camp Registration Open

Campers are registering online and through the mail every day! If you haven't registered your child for camp, there is no better time than now and it's never been easier! You can register online (requires full payment) or by mail. Registering before May 1 gets you the best pricing and it helps the camp with funds needed to get the entire camp ready for summer. Registering early also ensures your child's place as camps do fill to capacity. The full camp schedule is below.

Celebrate 70 on March 23!

First of all, we would like to say a big "Thank You" to everyone who has contributed to the Celebrate 70 Fund in celebration of the Camp's 70th birthday on March 23! Some of those funds were used to purchase the remaining new beds needed in the dorms and our campers and faculty will be very comfortable this summer thanks to all of you! We are still encouraging gifts for the Celebrate 70 fund that are now being used for renovations in the hotel. The hotel was the original building purchased by the camp 70 years ago. Also, we are planning to celebrate the Camp's birthday this summer during each session of camp.

Camp Work Day

We've had a long winter and 2 floods and the Camp is in need of a spring cleaning! Our annual work day will be Saturday, April 13 from 8 am until 3 pm with lunch provided. Tasks will include work on the trail (removing plastic and spreading rock), mulching pool area & playgrounds, picking up sticks and raking leaves. Bring rakes (garden & leaf), shovels, wheelbarrows and work gloves. If you live nearby and can provide a tractor to move gravel, please let us know. If you plan to come help out, please let us know that as well. Church groups & youth groups are welcome!
